Dear Pablo Osnaya,

With reference to the above stated Indian Patent Application, we would like to state that as per the Indian Patent Act, details of patent applications filed in other foreign countries, in respect of same invention, are required to be filed before the Indian Patent Office on Updated FORM-3, in order to fulfill the requirements of Section-8 and Rule-12 of the Indian Patent Act. So, please fill up below table and send us back to enable us to file Updated FORM-3.

| Name of Country | Date of Application | Application No. | Status of Application | Date of Publication | Date of Grant |
|-----------------|---------------------|-----------------|-----------------------|---------------------|---------------|
| | | | | | |

Please be informed that the first statement covering details of patent applications filed in other foreign countries must be filed **within six months from the Indian patent filing date** and there after within three months from the date of issuance of first statement of objections and within two months from the date of request from the Controller. So, please do needful in the matter and send us necessary details in order to file it to the India IP Office.

Thanking you,

Sincerely yours,

For, Law Office of
